Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

Underground storage tank (UST) has a leak (approx. 130-150 gallons of fuel). ADEQ has been notified, we have purged the tank of fuel at this point. We have contacted Terracon to do site investigation and to assess if we have a leak and it was verified. Please see attached documents. (Limited Site Investigation from Terracon)

Project Category: Special Equipment

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding Was money to address this issue included in your adopted budget for this fiscal year? N

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
Current fiscal year building renewal expenditures:	\$0.00
Current balance of unrestricted capital:	\$14,651,516.00

Please outline any associated insurance coverage.

Amphi's insurance deductible is \$10,000.00. Preliminary we anticipate the cost over \$10,000.00.
